A YEAR IN REVIEW . . .

Dear Members of the Tewksbury Township School Community,

What an exciting year it has been! We wanted to take this opportunity to thank you for the support you have provided to the TEF and, in turn, the students of Tewksbury Township public schools. We have accomplished so much together. The TEF brought 22 programs to our district this year; at least one program in every grade (K-8). From sending 8th graders to see School of Rock and 7th graders creating a giant Tiger sculpture to numerous robotics programs, Holocaust speakers, a Fitness Fun Day, dissections, Family STEM Night, orchestral performances, poetry, cultural arts and more. The TEF also answered the call of the district by providing funding for virtual reality equipment and a zen den at OTS. This newsletter, the final issue for the 2018-2019 school year, gives you a glimpse into some of the programs and events we have sponsored this year. Our goal is to make Tewksbury Township public schools robust centers of learning and personal growth through the provision of enhanced educational opportunities. As such, the TEF also dedicated over \$10,000 to teacher requests for equipment and programming that could enrich their students educational experience. We hope the TEF played a small part in your children thriving at school this year. We look forward to using the months ahead to plan innovative programming for next year. Until then, we hope your families enjoy a safe and fun summer.

Best Regards,

THANK YOU!

Your generosity and support
of the TEF is most
appreciated.

Don't forget, if you haven't
already
bought your
