

## Tewksbury Education Foundation 2019-2020 Family Giving Opportunities

*As we approach our 25th year, we are proud to introduce a new way for district families to support the TEF mission with a roster of opportunities geared toward the school community. By participating, you can positively impact 600 students, in each school and every classroom in the Tewksbury Township School District. When you join our esteemed group of donors, you are demonstrating your commitment to enhanced educational programming for students, mini grants for teachers and unmet district needs. We could not achieve our mission without the generosity of both individuals and businesses. If you plan to participate in our events throughout the school year, the Family Giving Opportunities below offer special benefits that will enhance your experiences while providing invaluable resources to our schools.*
